

To whom it may concern,

My name is [REDACTED], i go  
by [REDACTED] i am a 45 yr old male. i completed  
9th grade & obtain my G.E.D.

i am an alcoholic that is recovering from  
this powerful demon; i have a history of childhood  
P.S.O. & being incarcerated numerous times.  
i have been in inpatient once before, but i didn't  
take it serious, but this time around it is  
different. I'm taking this time to better myself  
& not ending up dead from alcohol poisoning.

i feel that my stay here at California Palms  
has made a big positive impact on me & to work  
towards my future. i no longer have to worry about  
where & when will i find a place that will take  
me in; without pay and make sure i recieve the  
best treatment possible. For that i am forever  
~~grateful~~ grateful, for the possible chance of long  
term treatment

Sincerely,

[REDACTED]
